

Objective #1:
Redesign the Rappture toolkit to support parameter sweeps and optimizations

Objective #2:
Create a HUB-in-a-box open source package so that others can set up their own hubs

Open Source Release!
HUBbub 2010
April 13-14, 2010
Indianapolis, IN

<http://hubzero.org/hubbub2010>

9 hubs in production
12 under construction

HUBzero Consortium

- Purdue University
- Indiana University
- Clemson University
- University of Wisconsin at Madison
